**Bad things happen to good people and these are good people who need our help  
Derek Cobb is a construction worker in his mid 30's with a wife and 2 young  
children 4 and 7 years old. He is an avid  
hunter and fisherman who was recently diagnosed with ALS also known as LOU  
GEHRIG'S DISEASE. He is unable to get health insurance and has mounting  
medical and living expenses.**
